SUMMARY

Data-driven influencer and affiliate marketing professional with experience building and scaling TikTok Shop creator programs, managing large creator communities, and turning campaign insights into measurable growth strategies. Skilled in creator acquisition, lifecycle segmentation, KPI reporting, campaign optimization, and cross-functional project execution. Entrepreneurial, adaptable, and known for creating clear, repeatable systems that improve creator activation, content performance, and GMV.

SKILLS

- Creator lifecycle strategy: GMV-based segmentation, sample-to-post activation funnels, VIP development, retainer programs, and performance-based contests.
- Creator communications: acquisition, onboarding, reactivation, community engagement, creative briefs, scripts, newsletters, and content calendars.
- Performance and operations: KPI reporting, A/B testing, SOPs, usage-rights tracking, invoicing coordination, and AI-assisted workflow automation.

PROFESSIONAL EXPERIENCE

Hadley Designs **Remote, US**
Influencer & Affiliate Program Manager *January 2026-Present*

- Spearhead end-to-end strategy for a 500+ creator affiliate program, building a sample-to-VIP GMV funnel and launching gamified activation, retainer, and contest programs, including a $1M tiered incentive ladder.
- Maintain a 57K+ creator segmentation tracker with GMV-based lifecycle stages and weekly KPI reporting while resolving CRM data gaps and analyzing SKU profitability and ad-boost performance.
- Deploy and A/B test automated outreach through Euka Bot and ManyChat, create weekly newsletters, hooks, scripts, and briefs across six product lines, and pilot AI tools to streamline reporting.
- Lead weekly creator audit trainings and 1:1 coaching on hooks, pacing, and authenticity, using 2-second and 6-second view-rate data and before-and-after case studies to improve content performance.
- Partner with leadership across unit economics, retainer administration, community management, and creative strategy, including developing a back-to-school raffle contest with multiple ROI scenarios for approval.

DC Creator Agency **New City, NY**
Agency Owner | Brand & Creator Partnerships *August 2025-Present*

- Manage TikTok Shop affiliate operations for a brand with more than $1M in GMV, coordinating creator onboarding, product seeding, campaign briefs, posting schedules, and performance follow-ups.
- Launch and grow Discord-based affiliate communities and onboarding workflows, activating more than 30 creators during the first month of a client campaign and maintaining direct communication between brands and affiliates.
- Design GMV-based offers and tiered commission incentives, track campaign performance through TikTok Shop Analytics, UTM links, and Google Sheets, and deliver weekly reports with optimization recommendations.
